

Just a reminder of the procedures we have in place if you're visiting us! We are continuously adapting our procedures to keep staff and customers safe.

Our maximum table size is 6 guests.

🏠 It is law that you must only dine with members of your own household whilst we are under Tier 2 of the national lockdown!

🧴 Hand sanitiser is situated around the building and is available for you to use as you arrive - please use it!

📱 We will provide full table service! There will be no drinks service at the bar.

🚫 We have a one way system so we are asking all guests to arrive at the front door and leave at the side door.

🪑 Tables and chairs have been arranged to be 1m+ apart to aid social distancing - please do not move them!

🕒 Please do not arrive early for your table as we can not allow you to wait inside under any circumstances if your table is not yet ready!

☀️ We will try to avoid using the air conditioning and use natural ventilation wherever possible. Please dress appropriately as the temperature inside the restaurant may be different to that outside!

📄 Our disposable menus offer some fantastic deals! Our latest menu's can be found online at [www.summat-to-ate.co.uk](http://www.summat-to-ate.co.uk)

🧼 You will see us cleaning tables and chairs in between customers as well as regularly cleaning hotspots!

🦠 It goes without saying that if you or any of your household are displaying symptoms, please cancel your booking and self isolate in line with government guidance.

🕒 We have to be closed, by law from 10pm every night from the 24/9/2020.

😷 Face coverings will be worn by all staff, unless medically exempt. Customers must wear face coverings to enter or leave the premises.

Thank you for your understanding!
